

# Carline Directions and Map

## Morning Carline:

## Afternoon Carline:

**Numbers:** All cars must have their carline number prominently displayed until all children are loaded into the car.

**Passing:** Please DO NOT pass cars in the loading zone unless you are specifically given clearance to do so by the staff member directing traffic at the head of the line.

**Hand signals:** In addition to the obvious hand signals, the person directing traffic may show you a thumbs-up sign, which is to ask you if you have all children loaded. If yes, please reply with a nod or thumbs-up and you will be permitted to pass when it is safe to do so.

**Carpooling/Bikers/Walkers** are strongly encouraged. Bikers and walkers should pick up their children at the covered area at the head of carline. Tell your carline number to the staff member on duty and your child will come out to meet you. Student bikers and walkers without parents/guardians must check out with the designated staff member before leaving campus.

**Please remain in your car.** If your student needs assistance, pull off to the left side (handicap parking spot area).

**Right Turn Only:** Only a right turn out of the parking lot onto Main Street is allowed during carline hours (7:30-8:30am and 3:00-4:00pm). If you need to come out on Sunset, take the alternate route below:

- Right on SW Main St.
- Right on SW Madrona
- Right on SW Cinnamon
- Right or Left on Sunset...

To eliminate campus congestion, please promptly pickup your student/s and do not remain in the carline area. Safety is our focus, and your help is greatly appreciated as we navigate carline.
