

Socializing is a crucial part of a child's life

Due to the Coronavirus, students are missing out on social time, a very important part of the school life. We want our SCS students to be academically challenged but we also want their social and emotional skills to grow. Because at SCS, we focus on the whole child, we will be adding an optional virtual recess to our online opportunities. This will be a great time for students to chat with their classmates and get to know one another. The students will have the opportunity to share with friends how they are doing and do some fun activities.

Mrs. Buchanan, our school counselor, will be hosting the optional virtual recess! Please refer to the schedule below and use the link in Mrs. Buchanan's google classroom to join the virtual recess: [Mrs. Buchanan's Google Classroom Meet Link](#)

★ Virtual recess will meet twice a week for 20 minutes!
