1ST-4TH GRADE STEPPING STONES CEREMONY, KINDERGARTEN GRADUATION AND 5TH GRADE PROMOTION

At SCS each year, we celebrate the completion of the elementary grades with a “Stepping Stones Ceremony.” For new families, the Stepping Stones Ceremony is a tradition where the teacher speaks about the class and the students, then each student receives a stone with their grade to signify completing the year. It is a wonderful closure and the stones become keepsakes that they collect every year.

Our Stepping Stones Ceremony, which includes the kindergarten graduation and 5th grade promotion, will take place on the last day of school. Once the whole class has received their stones, they will exit as a group into the school gym where you can meet up with them and take pictures. If you are picking up your child at this time, please check out with their teacher.

See the schedule below:

- 8:30-8:45 - First Grade
- 8:45-9:00 - Second Grade
- 9:00-9:15 - Third Grade
- 9:15-9:30 - Fourth Grade
- 9:30-9:45 - Transition to Kindergarten Graduation
- 9:45-10:15 - Kindergarten Graduation
- 10:15-10:30 - Transition to Fifth Grade Promotion
- 10:30-11:00 - Fifth Grade Promotion
- 11:00-11:30 - Wrap Up and Dismissal

2022-2023 STAFFING ANNOUNCEMENTS

Dear SCS Families,

As promised, I am writing to tell you about the new teachers I have hired to join our fantastic team. Our interview team had various staff on each interview, and each hire was a unanimous decision. We "hit it out of the park" with our new hires because they fit the "SCS way" perfectly. They all share a common link they love learning, adore children, and are very talented teachers. I would be thrilled if my children were in these classrooms. We were able to hire the best and the brightest because we attract excellence with the culture here at SCS. In addition, it was critically important that we could be competitive with other districts and have the same pay levels as the Sherwood School District. Thank you SCS Board for supporting this critical need, and thank you to parents for donating to the OneFund.

Second grade Stacy Tronnier is moving out of the area and will not be returning. We wish her well on her next adventure and will miss her dearly. She is one of the most gifted educators I have ever seen in my 30 years in education. I will never forget her teaching remotely from Yellowstone Park during the pandemic. So creative and fun!

I want to thank Kinder teacher Calli Neuhoff for coming in the middle of the year to finish the 2021-22 school year when Kelsey Connolly left. She went into a challenging transition as a first-year teacher and rose to the occasion. We wish her the best and are so thankful she came to SCS!

We have completed hiring for all teaching positions, and I am so excited to introduce them to you:

Heather Kerbo
Kindergarten

Heather Kerbo, Kindergarten

I currently hold a masters degree in Curriculum and Instruction from Portland State University. I have 7 years experience teaching in grades Pre K- 2nd grade. And of course, my favorite grade to teach is kindergarten! I just love how excited kinders are to learn and begin their school journey! Over the years, I have taken special interest in multiple approaches to inquiry based learning, where children are working hands on focusing on investigations and problem solving. I believe it is the teachers role to act as a facilitator while children lead investigations and are immersed in group and peer learning opportunities.

Hannah Atwood, 2nd Grade

I am so excited to be joining the SCS community for the upcoming school year! I recently graduated summa cum laude from George Fox with my BS in Elementary Education and endorsements in Language Arts and ESOL. I completed my student teaching in a first grade classroom in Newberg, and I am so looking forward to moving up to second grade! In my classroom, your student will grow as a friend, problem-solver, author, mathematician, artist, and lifelong learner!

2022-2023 STAFFING ANNOUNCEMENTS (CONTINUED)

Caryn Sutter
4th Grade

Caryn Sutter, 4th Grade

I am thrilled to be joining the Sherwood Charter School team! This will be my seventh year as a licensed classroom teacher, and my 16th year in education. My background covers everything from teaching outdoor skills in the remotest parts of Alaska, to teaching hands-on science and wilderness studies with OMSI. In addition, I am an avid outdoors woman and artist. When I am not painting or backpacking, you can find me trying out great new sushi restaurants with my family, or restoring old furniture.

Abigail Williams, Science

I am a recent graduate from George Fox University with a BS in Elementary Education and endorsements in Science and Middle School Education. You can find me swimming laps at the pool or enjoying the Oregon Coast. There is nothing more peaceful to me than curling up with a good book and my cat on my lap. I am thrilled to be the Middle School Science teacher for Sherwood Charter School! I love learning about science and teaching those around me about all the different wonders of the world.

Abigail Williams
Science

Toby Winningham
Math

Toby Winningham, Math

I am so excited to be joining Sherwood Charter School as the 6th - 8th grade Math Teacher. This will be my 14th year of teaching and while I've taught in many self-contained K-8 classrooms, math has always been my favorite subject! Please don't tell the other subjects I said that. Within my classroom, we will focus on kindness, effort and the power of "yet." I'm looking forward to teaming with students and parents to make great strides in mathematic understanding and confidence. Outside of the classroom, I enjoy watching my kids participate in sports and theatre. I love photography, cycling, playing the guitar and in the fall I love watching Oregon Football. Go Ducks!

Depending on their teaching schedules, I will try to have as many new elementary teachers join us for the Stepping Stones Ceremony. In addition, I will invite the new middle school teachers to the House Selection ceremony so that students can meet them.

We will have a gathering to celebrate Ms. Peterka's retirement from teaching in June. We will also celebrate Mrs. Zobrist's retirement, postponed due to the pandemic and gathering restrictions. Look for more information to come!

Even though it is the end of the year, I am excited about possibilities next year. I want to make up for lost time and have family events, Celebration of Learning, and fun gatherings. In addition, I look forward to parent volunteers engaged in the classrooms, projects, committees, and field trips. I can't wait to get started!

With H.E.A.R.T., Ms. Raboli
