

## 2023 Cougar Run Fundraiser Pledge Form

On Thursday, September 28th, I will be participating in Sherwood Charter School's Cougar Run Fundraiser! I will have 20 minutes to complete as many laps as possible around the Cougar Run course at our school. <u>Our track is a little smaller than a typical track</u> and on average students will be able to complete around 20-30 laps depending on pace. The funds collected will go toward providing me and all my school friends the opportunity to have learning come to life through exciting school programs. If every student raises \$60 we will pass our Cougar Run fundraising goal. I hope you can help by sponsoring me!
