

2023 COUGAR RUN!

On Thursday, September 28th, I will be participating in Sherwood Charter School Cougar Run Fundraising Event!

I will have 20 minutes to complete as many laps as possible around the Cougar Run course at our school. On average students will be able to complete around 20-30 laps. The funds collected will go toward providing me and all my school friends the opportunity to have learning come to life through exciting school programs. If every student raises \$60 we will pass our Cougar Run fundraising goal this year!

Scan the QR Code below to make a flat donation today!

Important: When donating online, be sure to indicate my full name in the notes.
