

SHERWOOD CHARTER SCHOOL

Invites you to the annual

Kindergarten Graduation

June 6th, 2024

Doors open for seating: 8:20

Ceremony: 8:30-9:00 am

You're invited! Bring the family and attend the Kindergarten Graduation. Students will be celebrated in a traditional Stepping Stones Ceremony where Mrs. Kerbo will speak about the class and each student. Students are given a stone memento with their grade to signify completing the year followed by a symbolic advancement to First Grade!

Students should dress in uniform or nicer and families should plan to drop their student off in the morning through normal car line. Families can park in the upper recess area prior to the ceremony and head directly to the auditorium. Parents/Guardians should check out their student in the gym following the ceremony and officially kick off summer!
