HOW TO NAVIGATE MORNING CAR LINE

Our goal is to make car line safe and efficient for all. Everyone's safety depends upon the collaborative effort of all of us following these procedures carefully.

Morning car line drop-off begins at 7:40 am, before that time there is no supervision. Car line ends at 7:55 am, with classes starting promptly at 8:00 am. If you are later than 7:55 am, students must go to the office to sign in. Any students arriving after 8:00 am will be marked tardy.

During morning car line, please pull forward to the end of the horseshoe before stopping your car, allowing several cars to drop off their students in the unloading zone. Do not stop in front of the building doors if there is room to move up.

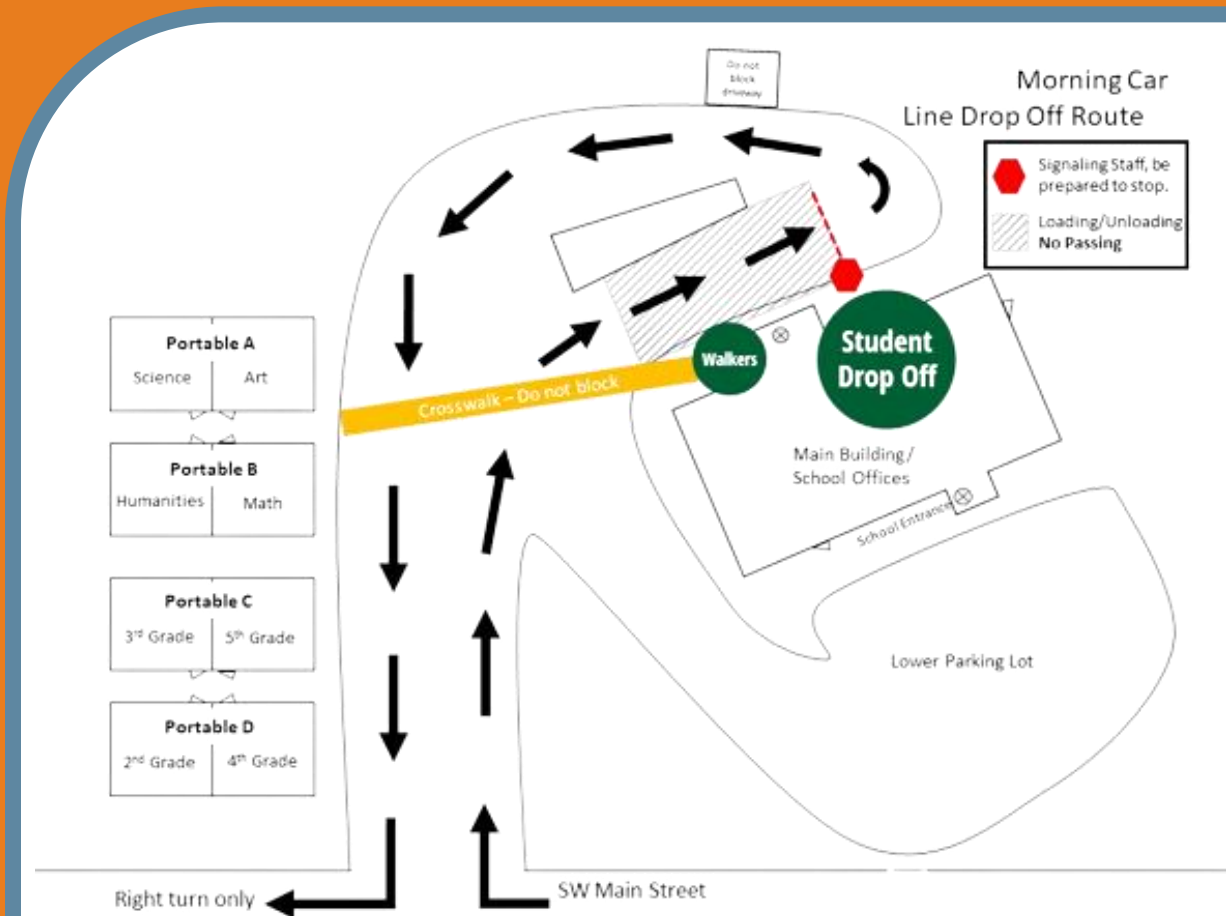

Your child should have everything ready before you stop your vehicle, please encourage your children to move quickly. Whenever possible, children should exit the car from the passenger side. If exiting from the driver's side, children should cross in front of your vehicle.

Drivers should remain in their cars as children exit their vehicles on their own. If they are physically unable to do so, drive to the lower lot and park—parking is prohibited in the car line route during car line hours. When clear, continue around the horseshoe to the left and exit campus. Only right-hand turns are permitted out of the school onto Main Street during car line.

DO NOT do a U-turn and **DO NOT** back up to avoid driving around the horseshoe.

DO NOT pull around other cars. Your impatience could have tragic consequences.

DO NOT drop students off on Main Street to avoid car line.

HOW TO NAVIGATE AFTERNOON CAR LINE

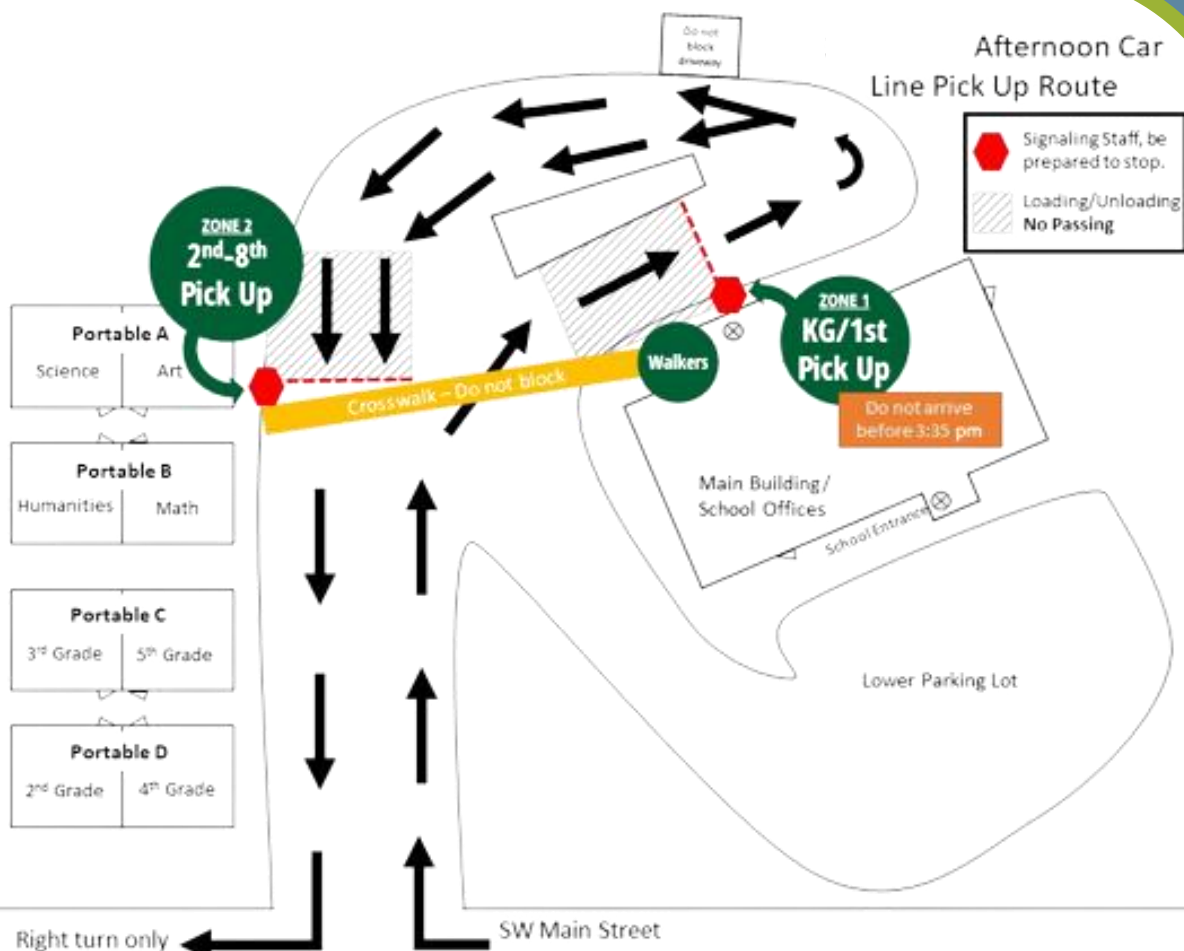

Afternoon car line pick up begins at 3:30 pm and ends at 3:50 pm. Car line moves more smoothly when our families spread out pick-up time between 3:30 – 3:50 pm. Do not arrive earlier than 3:22 pm. Lining up before 3:22 is not permitted and Main St. must remain clear for passing traffic. To assist with traffic, we ask that families with kinder or 1st grade students arrive after 3:35 pm. This allows more cars to flood the car line loop and helps keep traffic off Main St.

Car line numbers are assigned during student enrollment and should be prominently displayed on your rearview mirror during afternoon car line. Be sure your child knows your car line number to help speed up the afternoon loading. There is absolutely no parking in the driveway or U-turn permitted during car line.

There is NO PASSING at any time. Cars should remain in a single file line until past the horseshoe, then flood both lanes by entering shortest lane. Students in Kinder and 1st grade will be picked up in zone 1. All other grades will be picked up in zone 2 by the portables. All cars should turn right out of the parking lot when leaving.

Hand Signals: In addition to the obvious hand signals, the person directing traffic may show you a thumbs-up sign, which is to ask you if you have all children loaded. If yes, reply with a nod or thumbs-up and wait to be directed to leave.

Independent walkers will check out in the classroom before leaving campus. If picking up a walker, please check in with the staff member at the main building overhang and have your car line number ready.

A NOTE FROM MS. RABOLI

Dear Sherwood Charter School Community,

Get ready to dust off those backpacks and fill up those pencil cases—it's time to dive into a brand-new school year at Sherwood Charter School! Whether you're a familiar face or just joining the adventure, we're thrilled to welcome you into a year bursting with learning, laughter, and a dash of that signature school spirit (because we know that's where the magic happens!).

Before we jump into the excitement ahead, I want to take a moment to celebrate one of our school's true gems. Our incredible Office Manager, Angela Havlinek, has completed her 10th year at Sherwood Charter School! Angela is a powerhouse of dedication and hard work, and her many talents have transformed our systems, operations, and the fabulous events we all love. Her heart for Sherwood Charter School is truly something special, and we are so lucky to have her. Angela, thank you for 10 amazing years! We can't wait to see what year 11 has in store for you.

At Sherwood Charter School, our mission is simple: to create a safe, welcoming, and vibrant environment where every student can shine. Our fantastic team of educators and staff is ready to inspire, challenge, and support your kids as they embark on this year's learning journey. We've got lessons lined up that will make even the most reluctant learner sit up and say, "Wow, that was actually pretty cool!"

This year, we're putting extra emphasis on our HEART Skills: Honor, Empathy, Accountability, Respect, and Teamwork. Think of these as our guiding stars, helping our students not just to excel academically but to grow into all-around awesome human beings.

Now, let's talk about you, parents. You're the secret sauce that makes this whole thing work. Your involvement is the key to making this year a smashing success. Whether you're volunteering, attending school events, or just making sure your kiddo's lunchbox has a healthy mix (no judgment here!), your participation makes all the difference. We're excited to partner with you to create a community where our students can truly soar.

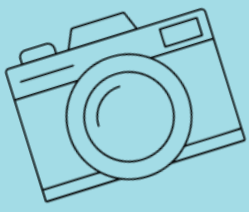

So, here's to a year filled with new challenges, big achievements, and memories that will stick with us for years to come. Keep an eye out for all the latest updates and events—especially our Meet and Greet on August 29th! I can't wait to see you there!

If you ever have questions, concerns, or just want to share a funny story, our doors are always open. Let's make this school year the best one yet—Sherwood style!

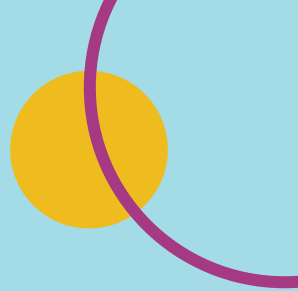

Welcome back to Sherwood Charter School! Let's get this adventure started!

The SCS board focuses on governance of the school, including planning, curriculum review, financial oversight, policies and compliance. As board members we help to direct and ensure the future of Sherwood Charter School, we enjoy an open, collaborative relationship with Principal Joy Raboli and the Parent Advisory Committee (PAC), and have a direct impact on the quality of the education we deliver to our students.

We are always on the look out for parents who are interested in serving as a board member or on a committee who can expand our capabilities in these areas as well as strengthen our ties with the local community. For anyone who has interest in learning more about the SCS board, how it functions and what it means to serve, please contact us at scsboard@sherwoodcharterschool.org.
