

2024 Cougar Run Fundraiser Pledge Form

On Thursday, September 26th, I will be participating in Sherwood Charter School's Cougar Run Fundraiser! I will have 20 minutes to complete as many laps as possible around the Cougar Run course. Our track is a little smaller than a typical track and on average students will be able to complete around 20-30 laps depending on pace. The funds collected will go toward providing me and all my school friends the opportunity to have learning come to life through exciting school programs. If every student raises \$70 we will pass our fundraising goal. I hope you can help by sponsoring me!

I will track all (online, cash and check) donations on this sheet. Once the Cougar Run is completed, my school will let me know how many laps I ran. If you pledged me by lap, I will collect pledges using this pledge envelope and turn it in to my classroom or the school office by October 3rd.
